Dear Parents

It seems to have been a very busy couple of weeks. Well done everyone for taking part in our 'Green Day' last week – there were some fantastic outfits and it was a great opportunity to discuss road safety and the 'Green Cross Code'.

A huge thank you to Mrs Ducker and her army of volunteers for organising and running a brilliant night of school discos. We hope your children all had a wonderful time.

We have had our Foxes cake sale this week too. Thank you for all of the contributions. I managed to enjoy a rock cake and a home-made cookie before they went on general sale... I did pay for them, I promise.

I would like to remind you that there will be a Mothering Sunday service at All Saints Church on Sunday, and all families are invited. We are also running an Easter Service on Friday 4th April which will be led by Hedgehogs class. Please come along to join us.

A reminder that our Science Fayre will be on 1st May at the end of the school day. We look forward to seeing all of the wonderful experiments that you create.

Final reminder that we return to school on Tuesday 22nd April, after the Easter break.

Have a lovely weekend, and enjoy Mothering Sunday.

Mr D Ware
Headteacher

Ladybirds have begun working on their Easter theme - Remembering. They have been thinking about their own happy and sad memories. They have begun the Easter story and realise that there are some happy and sad parts. Hot cross buns remind us of the sad part of the story. We did a little survey, 15 children liked them, 4 didn't. Mr Ware and Mrs Cooke loved them!

Hedgehogs have been learning about Christopher Columbus. They got creative and used chalks on the playground to record images and facts they knew or had learnt.

Foxes class were able to take part in a lunchtime nature club this week. They made some lovely bird feeders.

Owls class have been writing newspaper reports about the battle between Macbeth and Macduff; in topic they have learned about the suffragettes and in music the children have been creating their own compositions.

Prayer: Prayer: Dear God, thank you for all that you give us, for all of nature and creation, and for the food that we grow, eat and enjoy. Thank you for the beauty of springtime. Help us to realize that each of us is a precious and beautiful part of your creation. Amen.
