Happy New Year! I hope you all had a restful and joyful Christmas break, filled with moments of happiness and relaxation, although it probably feels a long time ago now. It is set to be an exciting term ahead. Please see below some of the fun things we have already been doing this week.

Our school community is built on strong values that guide everything we do. As we embark on this new term, let's continue to embody the core values that make our school so special:

Love, Courage and Respect

- **Love** for learning and for one another, creating a supportive environment where everyone can thrive.
- **Courage** to take on new challenges, to stand up for what is right, and to always strive to do our best.
- **Respect** for ourselves, each other, and our surroundings, ensuring we continue to grow as compassionate individuals.

These values are at the heart of everything we do, and I encourage all of us to embrace them as we move forward together.

Parking:

I would like to again kindly remind everyone to avoid parking near the school gates, crossings or any position that could be considered dangerous. There is also a particular issue of people carelessly turning in the driveways near the school. There have been a number of near miss accidents with children walking along the pavement. Our children's safety must come first. Therefore, to avoid an accident, instead of turning in driveways near the school, please drive to the top of the road before turning around and parking safely, even if this means a short walk to the school. Although, I want children to arrive on time, it is more important that they arrive safely.

Volunteers

If you are at school collection on Friday 31st and feel you could lend a little muscle power, could you please assist in carrying up the paving slabs to the car park so that they can be loaded into a skip. If you are able to help. Please contact the school office.

Thank you for your continued support and engagement. Have a wonderful weekend,

Mr D Ware
Headteacher

Collective Worship:

This week in our collective worship, we have been focusing on the Lord's Prayer, exploring both its words and their deeper meaning. The children have been learning the prayer and how this central Christian prayer reflects key aspects of the Christian faith, such as our relationship with God, forgiveness, and the importance of community.
